

Revalidation for nurses and midwives: A handbook for registrants

By Claudia Tomlinson

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 80 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. From April 2016, nurses and midwives regulated by the Nursing and Midwifery Council in England, Scotland, Wales and Northern Ireland, will be required to demonstrate they meet the requirements of the new revalidation process. This book has been written as a companion reader to help registrants navigate the new system. It provides a realistic look at the challenges ahead, without glossing over potential blocks and barriers, instead puts them under a lens for closer examination. What will the new system be like in practice? How well are employers prepared to support registrants, and what are the options for those working in diverse settings and in diverse scopes of practice? The book allows registrants and employers to evaluate the benefits, and potential pitfalls of the new system, and identifies workable and practical solutions and approaches. It guides readers from the process of developing an Individual Revalidation Plan, through to submitting an online application. Scenarios such as potential disagreements with reflective discussion partners, or confirmers, confusion about requirements, lack of knowledge among employers, and a failure by employers to act in good...
