Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every Man a Warrior is great study among Christian men looking for ways to create a deeper connection with their faith and the people around them. But when the COO of EMAW became swamped with questions on how best to use this book as a resource in church, Matthew Blankenbiller was there to step in and help out. Every Warrior a Leader suggests that you approach discipling men in the church much like a University educates its students. Using vision, mission, processes and well thought out curriculum. Blankenbiller strategically outlines how you can utilize a resource like EMAW when leading men's groups. Whether you are hoping to grow your small groups, retreats, one-on-one meetings, or even church services, this book will help you get there. A workbook at the end of the book provides readers with ample space to take notes on their progress and explore their strategic ministry plan. Are you ready to discover the leader within?.
