Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is for those guys who want to make real connections and find a female partner for a lasting relationship. Having reflected on my experiences of dating I wish I had a well thought-out guide about all the things relating to the minefield that is dating. So I decided I write one, to ensure the process is as painless and rewarding as possible! This book is not a manual of how to seduce women or get them into bed. It is not designed for those men who pick up women in bars / night clubs or to trick girls into falling for you via manipulation or other nefarious techniques. This book is simply designed to provide you with the opportunity to meet Mrs Right and when you do, ensure you make the connection count! Key things this book covers: * Why you keep getting friend-zoned and how to avoid it * The biggest mistakes guys make when dating and how to avoid them * Step by step process for arranging dates * and much much more!.
