Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

Puffin Books, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. What would you do to win a dare war? In a humorous and insightful novel reminiscent of her award-winning titles *The Thing About Georgie* and *Umbrella Summer*, Lisa Graff tells the story of fourth-graders Kansas Bloom and Francine Halata, who start out as archenemies, until--in a battle of wits and willpower--they discover that they have a lot more in common than either would have guessed. This dual-perspective novel will appeal to girls and boys alike--and to anyone who has ever wanted anything so badly that they'd lick a lizard to get it.
