Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

He looks down upon the giddy crowd with wonder and complacency. He knows them not. They are not of his set. He cultivates only the very best society: That of the wisest, the purest, the lofiest, the sweetest of their kind: not creatures of a day, the pawn of sodden sunshine, but the flower of ancient heraldry: The very blue blood of genius: The genuine aristocracy of the human race. Happy he whose taste inclines him to intercourse so refining! He has resources that can never fail. He may be a solitary stranger in the land, and yet with his chair, his corner, and his book, he will never lack for pleasant companionship. He may be poor, neglected, and desponding, yet with a finger can he turn the glowing page, and cheer the darkness of his soul with The light tint never was em sea or land and in the supreme rapture of his noon-tide glory he can say to the intruding rulers of the world that proffer him their patronizing aid, Only stand out of my sunshine! Leave me hsst the light of knowledge, and I ask no more! --Frzm Dr. Thomai Ward s N. T.
