Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is not a comprehensive guide filled to the brim with confusing terms and endless discussion. So, the advanced tomato gurus of the world might not discover anything new in this book. That is okay, because this book was not written with expert horticulturists in mind. It is designed for the beginner who does not want to be bogged down by all the scientific mumbo-jumbo behind growing tomatoes. After all, you want to grow tomatoes not obtain a degree in plant science, right? If you are new to growing your own tomatoes, or maybe you tried in the past with dismal results, and you want to grow great tomatoes, this book will give you the basic tips and instructions you will need to get started.
