Reviews

It is one of my personal favorite pdf. This really is for all those who state there was not a really worth looking at. I realized this book from my dad and i encouraged this pdf to understand.

Dark Hall Press. Paperback. Book Condition: New. Paperback. 376 pages. Dimensions: 8.9in. x 5.9in. x 1.1in. REVIEWS: . . . a cleverly executed blend of science fiction, suspense and horror. . . . a certified dark journey into madness. - David Gammon, HORROR NEWS Stadler - an experimental physicist by trade - effectively uses his background working in government and defense labs in painting vivid, appropriately clinical looks at the very base concept of torture. He spins it, however, into a horrifying tale of supernatural vengeance, one wrought with complex questions of faith, spirituality, and the after-life. - Chris Hallock, CHIZINE Exoskeleton utilizes several science fiction and horror tropes: the medical experiment gone horribly wrong, the malevolent secret government organization that will stop at nothing to achieve its aims, vengeful spirits against which the fleshbound have no defense, still Stadler never lets the story devolve into cliché, but instead uses these tropes with originality and energy. - Tracie McBride, EXQUISITE CORPSE SYNOPSIS: A convicted felon is given a choice following his sentencing . . . Serve a twenty five year conventional prison sentence . . . Or spend 365 days in a new, experimental corrections program. He opts for the experimental program . . . Only to realize he has made a horrible mistake. A dark tale of science spun dangerously out of control, Exoskeleton will leave even the most jaded of readers quaking in their boots. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
