Bantam Doubleday Dell Publishing Group Inc, United States, 1996. Paperback. Book Condition: New. Reissue. 175 x 107 mm. Language: English . Brand New Book. Here is an unforgettable odyssey into a world of awesome mysteries, into a distant past made vividly real, a novel that carries us back to the exotic, primeval world we experienced in The Clan Of The Cave Bear -- and to beautiful Ayla, the bold woman who captivates us with her fierce courage and questing heart. Cruelly cast out by the ancient Clan that adopted her as a child, Ayla now travels alone in a land of glacial cold and terrifying beasts. She is searching for the Others, a race as tall, blond, and blue-eyed as she. But Ayla finds only a hidden valley, where a herd of hardy steppe horses roams. Here, she is granted a unique kinship with animals, enabling her to learn the secrets of fire and raw survival -- but still, her need for human companionship and love remains unfulfilled. then fate brings her a stranger, handsome Jondolar, and Ayla is torn between fear and hope -- and carried to an awakening of desire that would shape the future of mankind. Shiningly intense. Sheer storytelling skill holds the reader in a powerful spell. -- Publishers Weekly.
