

A Quick Guide to Children's Oral Health

By Alyssa Walker Glosson RDH

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This guide for parents or caregivers of young children provides very quick and basic information on oral care for teeth and gums from infancy to adolescence. It includes basic information on the care of an infant's mouth and gums in the early months before teeth come in, when to expect teeth to come in, brushing and flossing techniques, dental care products, and other health issues related to early childhood dental care. Following these steps to proper care at home and regular visits to a dentist and dental hygienist can help lead to a lasting, healthy smile.

Reviews

This ebook will be worth buying. It usually fails to charge too much. You will not sense monotony at any time of your time (that's what catalogs are for regarding when you check with me).
