POCKET GUIDE TO CLINICAL MICROBIOLOGY (PAPERBACK)

American Society for Microbiology, United States, 2004. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. The reorganized and updated Pocket Guide to Clinical Microbiology, Third Edition, continues to present valuable quick-reference information to the clinical microbiology community in a small package. Easily portable, this new guide retains the format of the previous two editions--condensed information on detection and identification of clinically important microbes. The new edition introduces a second author, specifically on the mycology and mycobacteriology...

Reviews

A very great pdf with lucid and perfect explanations. It really is rally interesting through reading time period. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about in the event you question me).
