Brand New Book ***** Print on Demand *****.Excerpt from Recent Advances in the Physiology of Motion, the Senses, Generation and Development: Being a Supplement to the Second Volume Professor Muller s Elements of Physiology; At an early period after the publication of the last part of the English edition of Professor Muller s Physiology, it became necessary to reprint the second volume of the work; a second edition of the first volume having already been issued. The second volume did not then need complete revision and re-editing; it was therefore reprinted with only a few verbal alterations. But it was determined that, after a certain lapse of time, there should follow a Supplement or Appendix, containing later information on the subjects treated of in the most important portion of the volume, namely, that portion comprising the Physiology of Generation and Development; and reference was made to such an Appendix in several pages of the reprinted volume. In accordance with this plan, I was occupied during part of the winter of 1815-6, with preparing an account of the advances made in the course of the previous three years in the departments of science just named, but other unavoidable engagements interrupted my progress with the undertaking at that time, and subsequently prevented me from resuming it. The project, however, could not well be relinquished. Finding, therefore, a few months since, that I still was not able to command the requisite leisure, I proposed to Messrs. Taylor and Walton that Dr. Kirkes should be requested to lend his aid towards the immediate completion of the work, a proposal to which they readily acceded. And Dr. Kirkes very kindly consented to render the assistance required, although himself engaged...
