Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Your Introverted Power How amazing to realize that it is ok to be by myself and not in social situations I don't enjoy. This book has given me a much needed insight into what it is to be an introvert - thank you so much! - Ollivander This is a great guide to getting the most out of your introverted characteristics. - Dip Falcon Do you feel alone in a crowd? Perhaps you prefer a quiet corner to read or contemplate ideas over being in the glare of publicity. Do phones, parties, or work meetings overwhelm you? If any of this sounds familiar, you are probably an introvert. What if I told you that introversion has nothing to do with being shy or timid? Would you believe it? I hope so, because it's true. Being introverted - or extroverted for arguments sake - is all about how you process information and where you get your energy. One is no more a character flaw or handicap than the other. Your Introverted Power is a great new book for getting you from where you are to a place where you will be able to be true to yourself and let your introverted power shine through! You will be validated, vindicated, and enlightened so you will be set-free to become the best possible version of who you were meant to be. You will find useful how-to information covering everything from dating and networking to parties and public speaking - all the stuff in life that introverts typically have difficulty with. Your Introverted Power is the key to finding work you love and a life that matters! It is fair to...
