Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Quaker s Visit to Hartford in the Year 1676 The spirit which influenced the Quakers in the days of George Fox exists and influences men today; this indwelling spirit of God in man is coexistent with him though long in finding expression, it has, however, appeared in the deeply religious of all beliefs and sects since the earth was peopled. Old as it is, it is a new revelation to many; the still small voice speaking to the soul is seldom heeded, though if followed, would lead to a higher and better life. The Quaker recognized this voice as of God, a sure guide to the truth. Having the truth he could do no less than share it with others, and the leaders entered upon the work of enlightenment gladly, freely, going about sowing the seeds of righteousness. The forms and ceremonies of the Church were to him unnecessary and of little value, a paid ministry and costly temples of worship were denounced. The Quaker found the kingdom of heaven within, and as God created all things, so every tiling was sacred, all days, holy days; life in short, must be spiritualized, so attuned to the Divine Life, that the voice of God in the sou! would clearly reveal the way and the truth. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
