Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

Times Group Books, New Delhi, India, 2014. Softcover. Book Condition: New. First Edition. Mumbai or Bombay has been the most successful team in the history of Indian cricket. The team has won the most number of competitions. And that is why Indian cricket and Mumbai cannot be talked in isolation. Mumbai had the best of talents throughout. The city has produced some of the greatest cricketers of all time such as Sachin Tendulkar, Sunil Gavaskar, Vijay Merchant, Polly Umrigar and Dilip Vengsarkar. However, there were players who were equally talented but unfortunately either played a few matches or did not even get an opportunity to wear the Indian cap. The competition was so tough to get in the Mumbai team. This book traces some stars and some forgotten names that made Mumbai a powerhouse in cricket. These players have made the game richer with their cricketing skills. This book is an attempt to highlight the agonies and ecstasies of the heroes of cricket. Printed Pages: 224.
