Someone has incautiously left the door open and the poor fellow has slipped out. What a pity! It was a glorious morning in the spring, with a fresh breeze and inviting sunlight, but as it was rather early few persons were astir. Birds twittered under the neighboring eaves, and from the far end of the thoroughfare came faintly the droning cry of an umbrella repair man; a lean cat slunk across the cobbles and disappeared into a courtway; but for the most part the street was deserted save for the eccentric individual who had called forth my exclamation.
