Reviews

Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Rosen Classroom, United States, 2014. Paperback. Book Condition: New. 198 x 193 mm. Language: English . Brand New Book. Shapes are everywhere, and understanding their attributes is an essential part of third-grade math education. A comprehensive introduction to geometry is told through relatable narratives and real-world situations, teaching readers how to recognize geometric principles in everyday life. Appealing visuals and age-appropriate content work together to reinforce complex math concepts. Flying a kite is both enjoyable and educational, as it teaches students important facts about the attributes of shapes. This volume meets CCSS Math Standard 3.G.A.1.
