RANCHING WITH LORDS AND COMMONS

Heritage House Publishing Co Ltd, Canada, 2006. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. Ranching with Lords Commons, originally published in 1903, tells the fascinating story of Alberta s famous Oxley Ranch from the perspective of John R. Craig, Oxley s former manager. Craig s passion and knowledge shine through in this overview of what the cattle business was really like when ranching got underway in the late 1800s. In writing about his experiences, Craig s intention was to provide faithful reproductions of actual facts in the pioneer life of the western cattleman. This story--and the history it reveals--provides an entertaining and informative account of the early days of Alberta s cattle industry. I feel I am justified in presenting a narrative which has the double merit of novelty and truth, and which at the same time serves to relieve me from responsibility for the shortcomings and eccentricities--to put it mildly--of the aristocratic cattlemen with whom it was my lot for some years to be associated, and who are indicated in the title as lords and commons. --John R. Craig.
