Aaron Apple and the Rain

By JM Carydice

Lulu.com, United Kingdom, 2012. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Although very educational Aaron Apple and the Rain is an interesting story book. It introduces science and nutrition through a fun tale (which makes learning easier). It is also useful in schools (covering topics such as water) and has illustrations on every page (for the reader who struggles). So if you are looking for a book that can teach you, whilst you have fun, then Journey with Aaron down to Kaiaamaville and learn. Some meteorological concepts included plus the added bonus of learning about the nutritional benefits, one can get from apples. Children just love this book (so don't let them miss out).
