

Forensic Science: Crime Scene Analysis (Paperback)

By MR David Elio Malocco

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.True crime and serial killer expert David Elio Malocco (author of Who s Who Serial Killers, The Top 100) has now updated his best-selling book on Forensic Science and Crime Scene Analysis. The author is a former top criminal lawyer with dual degrees in law and psychology and diplomas in criminal profiling and forensic science. The book is essentially an introduction to Forensic Science and is the perfect companion for anyone interested in studying forensic science or crime scene analysis; anyone who writes about crime; lawyers, solicitors and barristers involved in criminal law; anyone involved in law enforcement or, in fact, anyone who reads crime novels or watches crime programs on television. Just how accurate are crime programs like CSI: New York, True Detective, Criminal Minds and Dexter? Apparently, there are far removed from reality and mask the clear division of labor which exists between crime science investigators and law enforcement operatives. The book is packed full of information and is written in a very easy to read and witty style - nothing like a text book. The first part of the...
