Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Gospel is not only cross-cultural, it is omnicultural. There is always ONE benchmark to apprise whether we are effectively reaching any culture: the cross-stake. In the world, and nations in particular, there are many cultures and sometimes micro cultures. Within each culture there are subcultures. Sometimes these subcultures overlap national and ethnic boundaries. There are different TRENDS throughout the years and throughout your lifetime and ministry. There are different TIMES of refreshing as well as seasons of opportunity. There are different ministries as well as gifts of the Holy Spirit, but only ONE LORD. This book is a primer for social media evangelism and is designed to give the reader examples of trends in media, generational cultures and suggestions for practical outreach. It is not designed to replace what you may be doing, but to provide NEW ideas through practical examples and suggestions. Resources are also included to help the reader help others! Especially helpful to the person engaged in Global Evangelism and Church Planting are tips pertaining to protection and power while you are working on special projects for the LORD. For advanced missions strategies the reader should consult the following two books by Prince Handley: The Art of Christian Warfare New Global Strategy.
