Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Wild-Briar and Wattle-Blossom: Verses The following verses, contributed in leisure moments to ephemeral magazines, have been, at the suggestion of some friends, collected and reprinted in booklet form. They give a voice to little more than the deep sigh of sadness which escapes from the heart of the Gael in the lands of his dispersion, and which translates itself inevitably into song. Their merit, if any, lies in their fidelity to that national sentiment of a world-wandering yet home-loving people. The captious critic, if at all caustic (and his name is legion), may be disposed to say of them, what a somewhat cynical Hibernian said of the effusions of a compatriot poetaster - that they will be read when Homer and Virgil and Shakespeare are forgotten - but not before it. To the more sympathetic reader, whose love of the homeland extends even to the haws of its hedges, I trust they may not be altogether unwelcome.
