Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Highland Press, United States, 2014. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.A Christmas Anthology - The Christmas Bachelor - Due to his wealthy family, Simon Nelson is practically American royalty. He is a globe-trotting, flirtatious photographer and a scandalous tabloid favorite. He leads a carefree life without any long-term attachments. Audrey Berdell is a shy and kind-hearted antique shop employee who focuses more on the past than the present. She lives a simple, humble life in Long Island and does not easily open up to others. Everything changes when Simon and Audrey accidentally cross paths at a Christmas charity gala in Manhattan. Like Cinderella and Prince Charming, from the moment they meet, an unexpected connection ignites. But is either willing to take a chance on love? Rescuing Joy - After getting dumped during the holidays by her boyfriend, Joy realizes it's time to make some changes in her life. She makes a list and sets some new goals. The most important one on the very top of her list is no dating until her life is back on track. This strategy would be a whole lot simpler if her life would just go according to her plans, but time after time something goes wrong and the man who keeps rescuing her has plans of his own that don't match hers. Turn Back Time - She'd give anything to turn back time to fix the present and future. Lecy Carrington has always loved Christmas. The lights, the carols, spending time with family. All her best memories seem to center around Christmas-until her boyfriend Shawn breaks up with her on Christmas Day. A year later, she sees him for the first time post-break up at a charity...
