

Policy Paradigms for the Anorexic and Financialised Economy: Managing the Transition to an Information Society

Filesize: 9.49 MB

Reviews

Complete guideline! Its this kind of good read. It can be writter in easy terms rather than difficult to understand. I am delighted to tell you that here is the very best book i have got go through during my very own lifestyle and might be he greatest ebook for at any time.
(Bill Klein)

POLICY PARADIGMS FOR THE ANOREXIC AND FINANCIALISED ECONOMY: MANAGING THE TRANSITION TO AN INFORMATION SOCIETY

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The anorexic and financialised economy describes why matured economies with super-efficient corporations are dependent on government spending and guarantees. Conventional fiscal and monetary policies are unable to resolve the economic deficiencies because they do not account for how information effects have imposed its imprint on societal structures and disrupted relationships between output, income, profits, employment, capital and interest rates. This book provides new theoretical insights on unemployment, aging, inequality, capital formation, liquidity, governance, markets, information asymmetry, investor protection and financial stability. Perspectives on the paradigms of services, sharing, minimum income and sustainability, the economics of abundance and on the debate on capital are explored. Policy initiatives for fiscal, monetary and securities regulation are also discussed.
