paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 230 Publisher: People's Post Pub. Date :2011-03-01 version 1. As Xie Feng. Sun scientific. Xuejun write modern electronic design technologies and integrated application from the practical point of view. introduction of modern electronic The basic design theory and methods. The book is Chapter 7. includes an overview of modern electronic design technology. computer-aided circuit analysis and circuit simulation technology. printed circuit board design and application of programmable logic device applications. technology. integrated circuit manufacturing technology and ASIC design. virtual instrument system and design and modern electronic circuit design examples. Modern electronic design technologies and integrated application in the content simple and focus on practical. taking into account the needs of the theory of teaching and learning. with a large number of application examples. in a relatively short period of time so that readers can grasp the basic techniques of modern electronic design theory and method. This book can be used as higher education electronic design course materials. but also as a developer of electronic systems technology reference books. Contents: Chapter 1 1.1 Overview of modern electronic design development process of electronic design technologies 1.2 The general method of electronic circuit design analog circuit design 1.2.1 1.2.2 1.3 digital circuit design experience EDA1.3.1EDA basic technical characteristics of the 1.3 .2 EDA 1.3.3EDA range of applications need to use EDA software 1.4 book exercises a computer-aided circuit analysis in Chapter 2 2.1 analog circuit simulation and circuit simulation principle components model 2.1.1 2.1.3 2.1.2 input circuit 2.1.4 Creating and solving equations graphics post-processing 2.2 analog digital circuit digital circuit simulation process 2.2.1 2.2.2 2.2.3 logic simulation model logic simulation of mixed analog-digital simulation algorithm 2.3 2.3.1 the order of...
