Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Talia Cormier)

Schaulager, Laurenz Foundation/Badlands Unlimited. Paperback. Book Condition: New. Paperback. 390 pages. Dimensions: 8.3in. x 5.8in. x 1.1in. The work of Paul Chan (born 1973) has charted a course in contemporary art as unpredictable and wide-ranging as the thinking that grounds his practice. *Paul Chan: Selected Writings 2000-2014* collects the critical essays and artists texts that first appeared in *Artforum*, *October*, *Texte zur Kunst* and *Frieze*, among other publications, as well as previously unpublished speeches and language-based works. From the comedy of artistic freedom in Duchamp to the contradictions that bind aesthetics and politics, Chans writings revel in the paradoxes that make the experience of art both vexing and pleasurable. He lays bare the ideas and personalities that motivate his work by reflecting on artists as diverse as Henry Darger, Chris Marker, Sigmar Polke and Paul Sharits, and grapples with writers and thinkers who have played decisive roles in his practice, including Theodor Adorno, Samuel Beckett and the Marquis de Sade. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
