To get **Africa: Your Passport to a New World of Music (Mixed media product)** PDF, make sure you click the hyperlink beneath and save the document or get access to other information which are highly relevant to AFRICA: YOUR PASSPORT TO A NEW WORLD OF MUSIC (MIXED MEDIA PRODUCT) ebook.

Alfred Publishing Co., Inc., 2010. Mixed media product. Condition: New. Language: English . Brand New Book. Africa is widely regarded as the birthplace of drumming. The powerful rhythms of this continent have influenced musicians all over the world. Drum Atlas: Africa gives you all the musical tools you need to incorporate African rhythms into your drumset playing. You ll learn traditional rhythms from each region of Africa, as well as modern styles that are popular in Africa today. One of the challenges with learning African music is translating the sounds of traditional percussion instruments to the modern drumset. This book makes the transition easy by showing you how to approximate the different percussion sounds using your drumset and, also, ways to augment your set by adding secondary percussion instruments for a wider range of sounds. You ll even learn how to collaborate with other drummers and percussionists to create authentic-sounding multi-drummer performances. This book is designed for intermediate to advanced drummers who are already familiar with musical notation and basic drumset technique. Whatever your musical style, you ll benefit from the rhythmic concepts and exercises contained here. The included CD demonstrates all the book s examples and compositions and also features duet parts for you to play along with.
