CHINESE PEOPLE TOO MUCH (FINE)(CHINESE EDITION)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pub Date :2012-04 Pages: 213 Publisher: social science literature [Books Introduction China's young population is rapidly reduced, and now has begun to affect all aspects of the Chinese economy. The shortage of migrant workers, college students biogenic shrinking, housing prices, economic restructuring, and many other economic problems and demographic issues are closely related. Young people less, the Chinese economy is a curse or a blessing? China's rapid economic growth for how long? China is not too much, but future children too small. Chinese population, fertility rates have dropped to very low levels in some major cities in the fertility rate is down to the level of the lowest in the world. Over time, China will be faced with various problems of excessive aging of the population, lack of economic vitality, the gender imbalance, social instability, and national decline. Chinese people are too many (fine) by James Liang, Li Jianxin book, based on a solid theory, combined with the experience of countries and the characteristics of China's development, demonstration of China's population development policy has come to a crossroads, only as soon as possible to put open the family planning policy, China's development can be sustained. Author Li Jianxin, was born in Yining City, Xinjiang, Demographic, JD, Department of Sociology, Institute of Sociology and Anthropology professor. Has worked in the Xinjiang University, Renmin University of China, India Mumbai Academy of the International Conference on Population Sciences, Peking University study mathematics, demography. Stayed on after the Institute of Population Research, Peking University Ph.D. in 1995 into the Institute of Sociology and Anthropology, Peking University work, State University from 1997 to 1999 in Tokyo, Japan postdoctoral research, 2004, a visiting scholar at...
