

Master Long Division Practice Workbook: Improve Your Math Fluency Series

By Chris McMullen Ph D

Createspace, United States, 2009. Paperback. Book Condition: New. 249 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.AUTHOR: Chris McMullen earned his Ph.D. in physics from Oklahoma State University and currently teaches physics at Northwestern State University of Louisiana. He developed the Improve Your Math Fluency series of workbooks to help students become more fluent in basic math skills.PRACTICE: This is a practice workbook geared toward practicing problem-solving skills. As such, it consists of worksheets with practice problems in the spirit of old-fashioned practice sheets. This is suitable for students who need to practice basic skills, and is effective for many students. It is not one of the modern math textbooks that are designed to entertain bored students.ANSWERS: An answer section at the back provides a complete answer key. It's important for students to practice solving problems correctly, otherwise they will practice their mistakes. Students, parents, or teachers should use the answer key to help students check their answers.CONTENT: This practice book is designed to help students develop proficiency with their long division skills by offering ample practice. This book is conveniently divided up into six parts: Part 1 reviews division facts with single-digit...
