ISLAM AND PEACEBUILDING: GULEN MOVEMENT INITIATIVES (HARDBACK)

Blue Dome Press, United States, 2010. Hardback. Book Condition: New. 229 x 160 mm. Language: English . Brand New Book. Transnational religious and faith-based movements play crucial roles in peacebuilding with their strong faith-based motivation, long term commitment, religious, spiritual and moral authority and ability to facilitate constructive social relations between different groups of population. It is not religion itself that is influential, but rather the ways in which it has been interpreted and practiced that is influential in religion s orientation toward radicalism, violence, conflict resolution and peacebuilding. Thus, it is necessary to elaborate upon what Islam and Muslims have to say about peacebuilding. The exploration of the contributions to this volume is made with regards to the title in hand by the thought and practice of the global movement associated with the Turkish Muslim scholar Fethullah Gnlen.Gnlen is described in this volume as border transgressor between East and West. Gnlen s discourse is analyzed and contextualized along with a detailed analysis of intercultural dialogue in his theology and thought. Contributors also observe Gnlen s discourse in action and its impact in different actual settings.The importance and distinctiveness of teaching of Gnlen and the practice of the movement is that it is rooted in a confident Turkish Islamic heritage while being fully engaged with modernity. It offers the possibility of a contextualized renewal for Muslims in the modern world while being fully rooted in the teachings of the Qur an and the practice of the Prophet. It advocates the freedom of religion while positively contributing to the wider society based on a commitment to service of others.Fethullah Gnlen has inspired many people in Turkey to establish educational institutions that combine modern sciences with ethics and spirituality. He is perhaps the most significant Muslim theologian and activist in contemporary Turkey....
